13 Sir:

14 PETITION TO CHANGE INVENTORSHIP
15 UNDER 37 CFR 1.48(a)

16 It is respectfully petitioned to delete Denise Renee Murray, the currently named inventor,
17 and replace her with Mr. William Brown.

18 This application was erroneously filed without any deceptive intention in the name of
19 Denise Murray for the reasons to be set forth hereinafter.

20 *****

21 RATIONALE

22 This application was pro se filed in the name of Murray by Murray and Brown. Murray
23 and Brown are two unmarried persons who reside in the same household. Denise Murray crafted
24 the better part of the pro se filed application and did the typing without fully understanding the
25 requirements to be "an inventor" under the patent laws, they named her as a reward for her
26 writing and typing prowess.

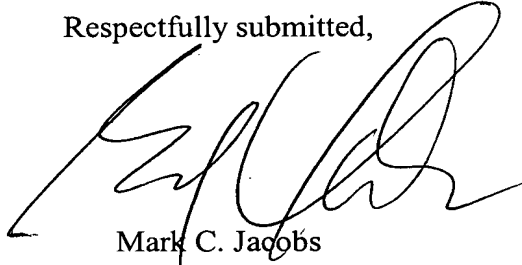

27 It was not until Ms. Murray and her boyfriend realized that they "were in over their heads"
28 did they consult with legal counsel. It was at this meeting they learned that in fact Mr. Brown was
29 the sole and true inventor as a result of the facts presented to the newly hired attorney.

1 Therefore, this petition is submitted in order to correct the record.

2 Since Brown has never executed an Oath or Power of Attorney in connection with this
3 case, such documents are attached hereto.

4 A declaration signed by the inventor to be deleted and the party to be added is also
5 enclosed.
